

Aprender a aprender

The screenshot shows the ChronoTask application interface. At the top, there's a navigation bar with the app logo, a date selector set to "Monday, September 30", a search icon, a notifications icon, and a user profile for "Amanda P.". Below the header, a large greeting "Good morning, Amanda" is displayed.

The main area is divided into several sections:

- To do list:** A list of tasks with checkboxes:
 - Finish the sales presentation 📈 for the client meeting at 2:00 PM
 - Send follow-up emails to potential leads
 - Review and approve the marketing budget 📊
 - Take 10 minutes for meditation or deep breathing
- Time tracker:** Displays the current time as 04:21:58 with start and stop buttons.
- Activity:** A circular progress chart showing working hours, tasks completed, and projects completed.

Working hours	29/40
Tasks completed	8/12
Projects completed	4/7
- Tasks I've assigned:** A list of tasks assigned to others, showing their progress:

Task	Progress (%)	User
New Ideas for campaign	60%	
Change button	27%	
New BrandBook	95%	
- Reminder:** A section for upcoming meetings, with one entry: "Today's Meeting" with a link to "Meeting.google.com".

Forget complex project management tools.
